

Local airflights

By Air

Flying can be the most time efficient way to travel around Belize, but a bit expensive, so if you are a budget Traveller you should consider other options.

Fantastic views of the coast, mangrove, jungle and mountains are available from your seat aboard one of the 12 seater aircraft. Services are operated by Maya Air and Tropic Air.

An hourly service runs daily from Belize City International Airport, municipal airport, Dangriga, Placencia and Punta Gorda.

A flight from Belize to Punta Gorda is approximately \$100 US.
