Tour Description

This tour is known as the longest Cave tubing tour in Belize. It will start at the Caves Branch River slowly entering the Cave Branch River Cave system that consists of a series of seven Caves. This tour will give you the chance to follow the path of the ancient Maya and experience the natural underworld as they did by floating along the river.

While floating along the river in your inner tube you will be able to experience the exciting world where rivers suddenly disappear underground. Guided by the only light coming from your headlight you will be taken through rays of sunlight, under tree canopies at each exit pass side windows that filter the jungle light through the mist as you swirl around the stalagmites jutting from the river and the stalactites looming from above.

At the end of the tour you will surely be amazed by the beauty of the underground with that exceptional travel through time following the steps of the ancient Maya.

Price: \$95.00 US. (Includes guide transportation, fees, lunch and caving equipment)
